Training courses

- Training course on "**nutrition education**", Ministry of Public Health jointly with UNICEF, Aden, 18-22 November 1993.
- Training course on "**health system research**", Faculty of Medicine and Health Sciences jointly with WHO, Aden, 6-18 January 1996.
- Training course on "**biomedical research decision: principles and computer applications**", Alexandria, Egypt, 4-7 October 1999.
- Training course "**IARC international course on cancer epidemiology: principles and methods**". International Agency for Research on Cancer, WHO, Izmir Cancer Registry, Izmir, Turkey, 15-26 April 2002.
- Training course "**measurement and calculation of skin fold thickness**". Manama, Bahrain, 24-26 September 2002.
- Training course "**IARC international course on advances in cancer epidemiology**". International Agency for Research on Cancer, WHO, Lyon, France, 18-22 May 2003.
- Training course "**the 13th Teaching Methodology Course**". Aden University, Aden, 24 June-17 July 2003.
- The "**2008 National Cancer Institute (NCI) Summer Curriculum principles and practice of cancer prevention and control course**", Bethesda, Maryland, USA, 7th July – 1st August 2008.
- The "**Training Course on Cancer Registry Program**", Pattaya, Thailand, 10 – 13 February, 2009.
- The "**Training Course on Introducing the Population Issues in the Curricula of Medical Faculties**", Sana'a, 20 – 22 December, 2010.
- "**Scientific Writing Training of the Trainers Workshop**", by the CDC (Atlanta) and EMPHNET (Middle East Public Health Network), Amman, 15 – 26 May, 2011.
- "**CanReg 5 Training Workshop** ", Balaclava, Mauritius, 10 October 2011.
- The "**IMCI – TOT Training Course**", Sana'a, 1 – 4 December 2012.
- "**IARC and UICC Course on Cancer Registration and Survival: Principals and Methods**", Tata Memorial Hospital, Mumbai, India from 28th Feb to 2nd March 2012.
- "**Collaborative Institutional Training Initiative (CITI)**. Biomedical Research – Basic Researcher Curriculum. Amman, 3 – 5 August, 2014.

Special activities

- **Supervisor and examiner** for master and PhD students in Yemen and Malaysia.
- **Principal investigator** in a number of funded studies with the UNICEF, World Bank, European Union, and Research for Future Foundation, Foundation for Future..

- Participated in a number of **humanitarian projects** with local and international organizations mainly the United Nation Higher Commissioner for Refugees (UNHCR).
- **Assistant Editor-In-Chief** of Aden Hematology Oncology Journal. **Editorial Board Member** of the Saudi Medical Journal, American Journal of Food and Nutrition, Journal of Infectious Diseases and Therapeutics (Pakistan), Journal of Tropical Nephro urology (Yemen), Hadramout Medical Journal (Yemen) and the International Reviewer Panel of Medical Science Monitor (USA).
- **Consultant (Researcher)** in the SOUL organization for development, Yemen.
- **Trainer** in the organized courses in “**Research Methodology**” for health personnel in collaboration with Women Center For Research and Training, University of Aden (2002), WHO-Yemen, and Amin Nasher Higher Institutes for Health Sciences, Aden, (2002), Ministry of Health and Population Lahej Office, Lahej (2009), Yemeni Council for Medical Specialization, Aden (2003 to date), Hadramout University College of Medicine, Mukalla (2010-2012) and Faculty of Medicine and Health Sciences, Aden University 2012- 2014.
- **National Trainer** in the “**National Training Courses in Cancer Registration**”, Aden, 20-25 December 2003, Sana’a 27-30 September 2004, Aden 16-18 February 2010, Aden 23-26 December 2012, and Sana’a 7–12 May 2016.
- Consultant for "**Curricular Reforms**" of the High Institutes of Health Sciences (Sana'a and Aden), 2007.
- **Academic Curricula Developer** participating in the development of the curriculum of the High Institutes (Sana’a and Aden), Bachelor degrees of Medical Laboratory Sciences (Aden University) and Master of Population Studies (Sana’a University), and Nutrition Study Program for Bachelor, Specialized Diploma and Postgraduate degree for the Yemeni Universities and High Health Institutes.
- **Committee Member and facilitators** in the international educational activities developed by the National Academies of Science (NAS)- USA, titled "Educational Institute on Responsible Science", with a team of members from USA, UK, Egypt and Yemen.
- **Member of the Executive Board** of The Organization for Women in Science for the Developing World (OWSD), Italy.
- Member of the International Epidemiological Association (IEA), USA.
- Member of the Asian Cancer Registries Network, Japan
- Member of the Eastern Mediterranean Public Health Network (EMPHNET), Jordan.
- Member of the Yemeni Society for Cancer Control.
- Board of Trustees Member and the person in charge for the statistics and information in the National Cancer Control Foundation (NCCF)
- Secretary General of the Yemeni Association for Women in Science and Technology for Development.
- Scientific Secretary of the National Association of Scientific Research

- Member of the Yemeni Society for Consumer Protection.
- Member of the Yemeni Society of Public Health.
- Member of the National Scientific Committee to review and prepare the Nutrition Curricula in the Yemeni Universities and Health Institutions
- Consultant for Health and Development Organization.
