## Welcome to your OWSD personal area.

Please note that while you are now registered as an OWSD user, you must complete and submit a membership application in order to become a member.

**Use the menu on the left** (or in the expandable menu above, next to 'Me & OWSD', if you are on a mobile phone) to complete your membership application. You must complete at least the **General Information** section in order to submit. We recommend completing the application process on a PC if possible.

Your application will then be reviewed by OWSD staff and you will receive a notification about your membership status within approximately two to three weeks.

When ready, click on Submit at the bottom of the form.

Go to "My Profile" to see a preview of your online profile.

If you need to get in contact with the OWSD Membership office write to: [membership@owsd.net](mailto:membership@owsd.net)

**IMPORTANT:** Please avoid using website translators when filling out your membership application as these conflict with our system, causing difficulties in saving and/or submitting the application.

8) After filling in the form and uploading the required documents, please remember to click on the **“Submit Application”** button. In case you need to save the registered information and get back to your application at another time, press the **“Save”** button.

Please note that if you do not click on the **“Submit Application”** button, the application process will not be completed and your membership will not be approved.

The screenshot shows the top navigation bar of the OWSD website, including logos for the United Nations Educational, Scientific and Cultural Organization and the Organization for Women in Science for the Developing World. The main navigation menu includes links for ABOUT OWSD, MEMBERSHIP, FELLOWSHIPS, AWARDS, RESOURCES, and a yellow DONATE button. On the right, there are links for Contact, Hello, OWSD\_trial, and Logout, along with social media icons for Twitter, Facebook, and a blog icon.

The left sidebar contains a menu with the following items: Personal data edit, General information, Contact info, Research and Profession, and Awards. The 'General information' item is highlighted.

The main content area is titled 'Declarations' and contains three checkboxes, each followed by a red asterisk and a small information icon:

- I am committed to the objectives of OWSD. \*  
In order to become an OWSD member you must be committed to the objectives of OWSD.
- I consent to the processing of my personal data as described in the Privacy policy. \*
- I consent to receiving OWSD announcements and newsletters. \*  
OWSD sends periodic announcements about its own and external opportunities relevant to developing world women scientists through the OWSD mailing list. We also send a quarterly newsletter. Members are automatically subscribed to these services, but members may unsubscribe from either one at any time.

At the bottom of the form, there are two yellow buttons: 'Save' and 'Submit Application'. Two large red arrows point downwards from the 'Declarations' section towards these buttons, indicating the next steps in the process.

9) After clicking the yellow **“Submit Application”** button, your application will be sent to the OWSD Secretariat for its review.

Please note that after submitting your application you cannot edit the registered information until you receive a notification of approval from the OWSD Secretariat.

The review and approval of membership applications usually takes 2-3 weeks. In case any information is missing or some clarification is needed regarding your application, our membership team will contact you by email.

Within 2-3 weeks you will receive a notification email from [membership@owsd.net](mailto:membership@owsd.net) with the subject “Application to OWSD membership approved” confirming your membership details.

If after 3 weeks of applying for the OWSD membership you still do not receive an email from us, please contact our membership team at [membership@owsd.net](mailto:membership@owsd.net).
