NATIONAL CHAPTERS

An OWSD National Chapter is a group of OWSD members from the same country who fully support the objectives and activities of OWSD, and aim to promote women's participation in science and technology, in scientific leadership, and in the decision-making processes, both at the national and regional levels.

National Chapters can organize regional conferences, seminars and workshops and provide OWSD members with networking opportunities.

Any OWSD member can start up a National Chapter. Go to <http://owsd.net/national-chapters> for details.
